

# Wallonia BELGIUM

@ IBC 2022  
Hall 10 Booth D31

09th - 12th of  
September

Amsterdam International  
Broadcasting Convention

  
Wallonia.be

Wallonia has an excellent logistics infrastructure and «multimodality» is the keyword. **Liege Airport** was awarded the title of **best cargo airport in the world** for the year 2020. You will also find yourself well supported : the actors of the sector are gathered in the «Logistics in Wallonia» cluster.

## WALLONIA EXPORT & INVESTMENT AGENCY

The Wallonia Export & Investment Agency (AWEX) is the institution in charge of the development and management of Wallonia's domestic and international economic relations.

Through a personalized, innovative, and sustainable approach, AWEX supports Walloon companies - regardless of their size, sector, or target market - in every step of their international endeavors. This includes exports, technological partnerships, and development abroad.

The agency's vast network of connections ensures the best advisors are always by your side. Our local anchors and agents abroad are capable of providing unparalleled insight to take your company to the next level. In addition, our connections will help establish your business in the global marketplace and promote it throughout the world. Training, incentives, and international financing are also available.

AWEX is also committed to strengthening Wallonia's position as the premier gateway for international investors seeking success in the heart of Europe. We work closely with them to inform, convince, and advise in every stage of their development.

Feel free to get in touch with one of our local or international agents via our websites listed above.

In our network of more than 400 employees in nearly 100 countries around the world, there is always someone ready and willing to support you in your approach.

# CYANVIEW S.A.

5, Rue Arthur Delaby  
7100 LA LOUVIERE  
BELGIUM

[www.cyanview.com](http://www.cyanview.com)

Contact:

**David Bourgeois, GEO**  
[david.bourgeois@cyanview.com](mailto:david.bourgeois@cyanview.com)

Cyanview offers a universal camera control system based on an RCP and small hardware modules. CyanView's system addresses three elements of broadcast acquisition when using a mix of camera types: connection, control, and image quality. It drives a wide range of cameras, from ENG camcorders to mini-cams for specialty shots, or even D-Cinema cameras used on live art performances. Cyanview is assigning them with system-cameras capabilities by controlling their shading, lenses or robotic heads. Dedicated to vision engineers, it also manages common video processors, routers and switchers on the control room side in order to easily integrate cameras with existing broadcast workflow.

# DEPTHEN S.A.

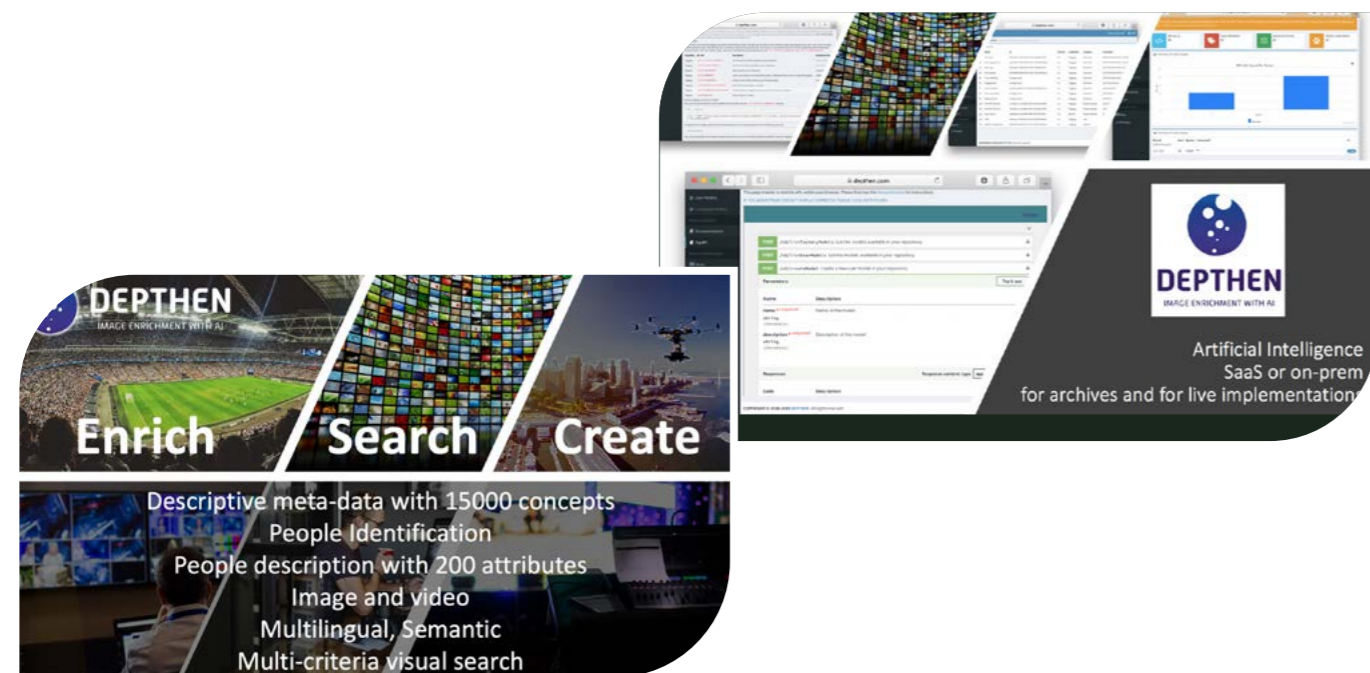

31, Boulevard Dolez  
7000 MONS  
BELGIUM

[www.depthen.com](http://www.depthen.com)

Contact:

**Stephane Dupont**, GEO  
[stephane@depthen.com](mailto:stephane@depthen.com)

We deliver solutions and expert services for integrating AI into operations, using computer vision and natural language processing, with a focus on rich descriptive metadata. We serve the media and entertainment industry, improving content production, post-production, automation, and management workflows. We provide end-to-end video analytics solutions: artificial intelligence, web front-end, database systems, integrations.

# DREAMWALL S.A.
